Due to particular rules of transportation concerning these products, we kindly ask you to purchase the adhesive PL400 in your own country.

Please request information to the product distributor in your country,

- check the instructions for use
- check the limits and precautions of use,
- check the risks and toxicity.

The screenshot shows a web browser window with the URL <http://www.stickwithpl.com/Products/detail.asp?PLProductID=12>. The website header features the PL logo and navigation links: About Us, Products, Where to Buy, MSDS/ Tech Data, FAQ, and Contact Us. The main content area is titled "Products" and highlights "PL@ PANEL & CONSTRUCTION ADHESIVES". A central image shows a tube of PL 400 Heavy Duty Construction Adhesive. To the left, a sidebar contains links for "Did You Know?", "Take The PL Challenge!", "PL Partners", and "What's New". Below the product image, there is a "Back to PL@ PANEL & CONSTRUCTION ADHESIVES" link and a "View Testimonial" link. The product description states: "PL 400 provides the ultimate in bonding capabilities and is especially formulated for all heavy-duty construction, interior or exterior... wherever a powerful, permanent bond is required." A list of features includes: "Heavy duty performance, interior or exterior", "Forms a super strong permanent bond", "Recommended for engineered lumber", and "Waterproof and weatherproof". A "HOW TO USE:" section provides instructions on surface preparation, bead size, application technique, and curing conditions. A "Where to Buy" section includes a zip code input field and a "GO" button. The footer contains additional navigation links and copyright information: "© 2006 PL Adhesives & Sealants".
